Process:	_____	Welding programm:	_____
Settings (energy, correction, etc.): _____			

Repair release up to	300.00 €	500.00 €	1000.00 €
Alternatively	Troubleshooting and cost estimate (89.00 €)		
	CO₂ cleaning (49.50 €) - Free for repair approvals 1000.00 € or more		

If the selected costs for the repair authorization are exceeded, a cost estimate will be created automatically. The amount of 89.00 € includes troubleshooting, handling costs and creating the cost estimate. If you would like a cost estimate, please send us your approval **within 10 working days**. After this deadline has passed, the goods will be returned unrepared at your expense.

We hereby confirm that by sending the defective machine, we will cover all costs for repair or replacement, shipping and, if necessary, the preparation of a cost estimate.
